Empowering educators for success

Our School Readiness Funding packages equip educators with essential skills and strategies to help children thrive in the three School Readiness Funding priority areas:

- » Communication (language development)
- » Wellbeing (social and emotional)
- » Access and inclusion

What we offer

1

Popular packages from the School Readiness Funding menu

- » **Circle of Security Classroom:** How to look beyond children's immediate behaviour and meet their genuine relationship needs
- » **Trauma-informed early childhood training and professional conversations:** How to deliver programs that are sensitive to the needs of children and families who have experienced trauma

2

Coaching and mentoring

Get one-on-one support focused on communication (language development), wellbeing (social and emotional) or access and inclusion. Our experienced consultants work closely with educators to identify challenges, observe practices and recommend strategies for improvement.

3

Tailored professional learning

Experience practical, easy-to-follow professional learning that will inspire your team and spark new ideas.

Explore our range of topics:

- » **Responding to children's challenging behaviours:** How to reframe, reset and reduce stress
- » **Programming and documentation:** Time-saving strategies for getting on top of the planning cycle
- » **Indoor/outdoor environments:** Bring confidence and creativity to your learning and play spaces
- » **Collaborative partnerships with families and communities:** How to build genuine relationships with children's first teachers

”

'It's just like a personalised PD session. There is no judgement, the coach is there to support you. Our coach has supported us with individual children's behaviour plans. I can't recommend it more highly.'

– Jessie, Tyers Preschool

'After learning about why children might behave in certain ways, my team and I don't feel hopeless anymore. Even the smallest progress, such as a child learning to share or take turns, now feels like the light at the end of the tunnel. The training has supported me and my team in a very positive way.'

– Nethmi, Gowrie Victoria Carlton Learning Precinct
